School Based Educators—Please review the following checklist:

- At the beginning of the field experience, please review the evaluation with the candidate.
- At the end of the field experience, please complete the evaluation.
 - Use this evaluation to facilitate dialogue around candidate progress throughout the field experience placement.
 - Review the SoE Standards and corresponding indicators.
 - For each indicator, please check “Exemplary,” “Proficient,” “Developing,” or “Not Yet Acceptable” based on how the candidate has met the standard for that section.
 - For any “Not Yet Acceptable” categories please provide written feedback in the comment section.
- At the end of the placement, decide upon an “Overall Recommended Rating” for each Standard and complete the “Overall Recommended Rating” on the last page of the evaluation.
- Review the results of the evaluation with the candidate.
- Both parties must sign the last page of the evaluation.
- Sign the timesheet as verification of the hours the candidate spent in the classroom.

Final Grade Recommendation—This field experience is graded on a Satisfactory/ Unsatisfactory basis. An indicator of “Not Yet Acceptable” on any of the standards results in a final grade of “U” for the placement. A candidate must receive a grade of “S” to continue on to the next field experience placement. If a candidate receives a “U” in the placement, in most cases, that candidate will be given one additional opportunity for a successful placement after remediation.

If there are questions or concerns, please contact the Director of Field Experiences and Student Teaching, Allison Bosworth, at abosworth@sjfc.edu or 585.385.5220.

The candidate is responsible for returning the evaluation and the timesheet to the Office of Field Experiences and Student Teaching by the last day of classes.
