E-books are available in FisherCat! When you come across an ebook, click on the Access ebook here link. Or in WorldCat, click on the An electronic book accessible through the WWW, link. Download capability is coming soon!

Collection Highlights

Extreme pursuits: travel/writing in an age of globalization / Graham Huggan.

Biofuels in Africa: opportunities, prospects, and challenges / Donald Mitchell.

Gender and macroeconomic policy / Raj Nallari, Breda Griffith.

Surviving the baby boomer exodus: capturing knowledge for Gen X and Gen Y employees / Ken Ball and Gina Gotsill.

FILMS ON DEMAND is a digital video delivery service that allows you to view streaming videos anytime, anywhere, 24/7! Choose from more than 5,500 educational titles in dozens of subject areas. Users can organize and bookmark clips, and share playlists.

SPECIAL COLLECTIONS
Films on Demand has added a Special Collections section that allows you to browse films by several well known providers including, ABC News, The Bill Moyers Collection, BBC, CBC Television, PBS News Hour, NBC News, and Frontline.

These films are not listed in the library catalog, so you must go directly to Films on Demand to search for films, Films on Demand or click on “Find Articles and More” on the library website.

ALEXANDER STREET
FILMMAKERS LIBRARY ONLINE
Filmmakers Library Online provides access to 924 award-winning documentaries with relevance across the curriculum—race and gender studies, human rights, globalization and global studies, literature, bioethics, international relations, health, the environment, criminal justice, multiculturalism, political science and current events, psychology, arts, and more.

COPYRIGHT SUBJECT GUIDE
A new Lavery Library Subject Guide is available for Copyright Information. “This subject guide is a resource to help faculty, staff and students make informed decisions regarding copyright use.” From the Guide by Micquel Little. Find the guide here or under Subject Guides on the Library Home Page.
DATABASE HIGHLIGHT

Web of (Arts and) Science

Don’t let the name fool you, Web of Science (WoS) is a strong, multidisciplinary database!

- Formerly known as Arts & Humanities Citation Index, Social Sciences Citation Index and Science Citation Index, WoS contains over 12,000 journals and 120,000 conference proceedings across the sciences, social sciences, and arts and humanities.

- Currently, the Library has access to articles from 2006 forward. We will be adding earlier years as funds become available.

- A training guide is available here.

- Attend training on Thursday, October 20, 12:30-1:30 in L100.
