We have completed two years of weeding for the nursing collection! This past year Pediatrics got a much needed overhaul. Many new titles were added to bring this part of the collection up to date.

Collection Highlights
This year the United States recognizes 30 years of AIDS.

New Titles Added Include:
- HIV Essentials
  RC606.63 .H56 2011
- Viral Mothers: Breastfeeding in the age of HIV/AIDS
  RJ216 .H284 2011
- AIDS and aid: A public good approach
  RA643.8 .S66 2010
- AIDS: Science and society
  RA643.8 .F36 2011

Online Films @ Lavery Library

**FILMS ON DEMAND** is a digital video delivery service that allows you to view streaming videos anytime, anywhere, 24/7! Choose from more than 5,500 educational titles in dozens of subject areas. Users can organize and bookmark clips, and share playlists.

**SPECIAL COLLECTIONS**
Films on Demand has added a Special Collections section that allows you to browse films by several well known providers including, ABC News, The Bill Moyers Collection, BBC, CBC Television, PBS News Hour, NBC News, and Frontline.

These films are not listed in the library catalog, so you must go directly to Films on Demand to search for films, **Films on Demand** or click on “Find Articles and More” on the library website.

**ALEXANDER STREET**
**FILMakers LIBRARY ONLINE**
Filmmakers Library Online provides access to 924 award-winning documentaries with relevance across the curriculum—race and gender studies, human rights, globalization and global studies, literature, bioethics, international relations, health, the environment, criminal justice, multiculturalism, political science and current events, psychology, arts, and more.

**NURSING SUBJECT GUIDE**
A new Lavery Library Subject Guide is available for nursing materials. There is a Videos/Films tab that lists other ways to find films to use in class.

**Nursing Subject Guide** or click on “Subject Guides” on library website.
Database Highlight

Nursing Reference Center

- Nursing Student Orientation.
  All undergraduate nursing majors get an introduction to Nursing Reference Center during the library portion of orientation.

- Evidence Based Care Sheets.
  Evidence-Based Summaries on key topics. References and Coding Matrix available for each Sheet. [Fall Prevention in Hospitalized Patients]

- Quick Lessons.
  Written and reviewed by nursing, these two page quick lessons on diseases and conditions include Description/Etiology, Facts and Figures, Risk Factors, Signs and Symptoms/Clinical Presentation, Assessment, Treatment Goals, Red Flags, and What Do I Need To Tell the Patient/Patient’s Family?

- Patient Education.
  Nearly 6,700 evidence-based handouts that include graphics. Spanish versions available for most handouts.
